

ABOUT US

Daras Education Development was founded in 2015 offering school bursaries to students from nursery, primary, secondary, tertiary institutions and universities. It is located at KAMU KAMU PLAZA, Room SF40, Kampala. Daras Education Development Foundation is deeply interested in empowering communities for self-reliance. Daras Education Development Foundation programmers are carried out in Uganda, Tanzania, South Sudan, Eritrea, DRC, Rwanda, Burundi and other countries. These programmes are in different categories which include farmer networks, supporting various projects, schools which are already on the DARAS bursary Schemes, churches, and social networks and student information seminars among others. Daras Education development Foundation for “**EDUCATION SUPPORT SERVICES**” whereby we offer both full and half bursaries of different levels.

THE MISSION:

The mission of **DARAS** Education Development Foundation is to help disadvantaged children to acquire both theoretical and practical education to equip and prepare them for the future.

THE VISION:

To support students, as covenant, commitment to excellence in professional and innovative education in Uganda. DRC, Rwanda, Burundi and other countries.

HOW WE WORK:

- DARAS employs a range of programmes to reach perspective students in Uganda and the neighboring countries.
- Partnership with schools, churches and refugee communities.

The key programmes are:-

- Farmer networks: **DARAS** has been engaged in various farming activities conducting farmer training all over Uganda and the neighbouring countries most especially South Sudan, DRC, Burundi and Rwanda. These networks will be used to contact students for the farmers we deal with.
- Religious Institutions: Uganda is a religious nation with approximately 97% of the population belonging to either Christianity or Islam. Targeting religious structures most especially churches and mosques are therefore a best way of reaching more than 97% of our population.
- Student information Seminars: **DARAS** organizes Student information Seminars (SISs) in major towns in Uganda, Rwanda, DRC, Burundi and South Sudan. During Student Information Seminars, prerequisites and application procedures are discussed as well as answering questions people may have regarding the admission process.
- Schools: **DARAS** is already working with a number of nursery, primary, secondary schools, tertiary institutions and universities. Therefore, we support students at different levels of education who tend to seek for our bursaries from various regions.
- Media Campaigns: We run media campaigns using electronic media and press in Uganda, South Sudan, Tanzania, Rwanda, Democratic Republic of Congo, Burundi and beyond.
- Social Networks: **DARAS** is member to many youth social networks which we use to promote the educational opportunities at different institutions. Various Social network applications like Facebook, WhatsApp, professional groups are used. Daras education development foundation works hand in hand with community leaders as coordinators and partners with schools at different levels and other organizations.
